

CORNWALL DOWNS SYNDROME SUPPORT GROUP MEMBERSHIP FORM

CDSSG is a charity run by parents to help families affected by Downs syndrome and living in Cornwall. The group aims to offer a chance to meet, socialise and share information, friendship and support.

We hold regular drop-ins around the county where we sign post our members to services that may be beneficial in an informal setting with entertainment for the children provided.

During the year we organise fun days out and trips away as well as our winter party and visits from Santa.

If you would like to join CDSSG please fill in the questions below and post to the group's secretary:
